WORK EXPERIENCE

CoreBiz

Jan. 2023 — Nov. 2023

Front End Developer

Remote

- CoreBiz is a global e-commerce solutions provider, offering services such as digital marketing, technology, and operational support.
- As Front End Developer, I build and maintain responsive websites, translating design concepts into functional and visually appealing digital environments.
 - Work on e-commerces with hundreds of thousands daily users.
 - Often report and advise the clients directly.
- Act as consultant for solution designs and backend structuration.

Power Of Will

Aug. 2021 — Jan. 2023

Full Stack Developer

Remote

- POW provides digital solutions: web/mobile development, marketing strategy, agile transformation, branding, digital security, and user-focused product design.
- As a Full Stack Developer, I handle both front-end and back-end development, ensuring end-to-end functionality and seamless user experiences.
 - Improve and maintain a video on-demand platform with thousands of weekly users.
 - Develop internal apps for user and functionality management.

EDUCATION

Universidad Tecnológica Nacional

(Unfinished) Jul. 2021
